

Dear Prospective Sponsor:

Thank you for visiting Blackstone Career Institute's (BCI) website and requesting information on our Advanced Paralegal courses. Blackstone Career Institute's Advanced Paralegal courses allow students to learn a specialized area of the law at their own pace and at their facility. No computers, proctors or facility instructors are required.

Blackstone is one of the oldest distance learning schools in the country providing superior distance learning solutions since 1890. We are committed to educating the incarcerated, in fact, we've trained thousands of inmates over the years and shipped our training materials into over 1,800 prisons nationwide.

If you're considering sponsoring an inmate in one of our Advanced Paralegal Courses then you have chosen wisely. As a sponsor, you play a pivotal role in the rehabilitation process. Your financial support promotes your friend or loved one to serve productive time by learning the law. Often times, this incentive motivates the inmate to take an active role in their rehabilitation.

Blackstone has an excellent reputation for quality, reliability, and service. Our friendly staff is available Monday - Friday from 9AM to 4PM (EST) to assist you with any questions. Choose a Blackstone Paralegal Program to change a life! Call us at 1-800-826-9228 or register online by clicking [here](#).

Sincerely,

Valerie L. Behrle B.S., M.Ed.
