

Earn your Child Care Provider Diploma from anywhere in the world, and work towards a rewarding career!

Dear Prospective Student:

If you imagine working with children in a day care facility or residential setting, then Blackstone Career Institute's Child Care Provider Program can be your gateway to turning this possibility into a reality. Even in today's economy there are plentiful opportunities for those who wish to work in child care: according to the U.S. Department of Labor, the number of child care providers employed in the United States is expected to grow by 5% by 2024.

Blackstone's unique distance learning programs enable you to gain skills for a new career at your own pace, without disrupting your present job or lifestyle. Distance learning is a convenient way to attain an education, while avoiding expensive campus courses, lengthy commutes, and extra fees for textbooks, course supplies and parking. Eliminate costly commuting time and time spent away from your family by studying at home with a reputable career training provider. We make it easy to get a real-world education and start on the path to a new career.

Blackstone's Child Care Provider Program is for you if:

- **You want training that is accredited:** Blackstone is nationally accredited by the Distance Education Accrediting Commission, is regionally accredited by the Middle States Commission on Secondary Schools, and has been privately licensed by the Pennsylvania Department of Education since 1984. Blackstone's credentials are your assurance that you are getting a quality program.
- **You want training that is affordable:** Blackstone's Child Care Provider program is among the most reasonably priced in the country. Everything you need to graduate is included with tuition—textbooks, study guides, exam services, online resources, and student support.
- **You want training that is convenient:** You are given up to one year to complete the program, so you can study whenever it is most convenient. You have access to our Online Student Center with online testing, instant grade results, 24-hour access to your records, study guides, and more!
- **You want a career that allows you to make a difference in the lives of others:** Child care providers tend to the safety, health, and wellbeing of infants, toddlers, and school-age children. They provide fun and meaningful learning activities that develop a child's self-esteem, as well as cognitive and physical abilities. New challenges and adventures make this field both fun and rewarding.
